

THE ROYAL COMMONWEALTH SOCIETY
Bath and District

Dear Member / Friend

We would like to invite you to take part in a Commonwealth themed morning service at Bath Abbey at 11.15 am on Sunday 10th March.

The service will include music from Chartwell Diutiro, who left Zimbabwe in 1994 when it was still part of the Commonwealth and is now based in Britain and several contributions from Commonwealth students together with the reading of the affirmations.

The Lord Lieutenant of the County will be present together with the Mayor. The service will be followed by a short reception in the north aisle.

There will be reserved seating in the Abbey and is recommended that you arrive by 10.50am. We hope members and friends will support this event.

If you would like to attend then please send your name, email and mobile number to godfrey@godfreyhall.demon.co.uk

It has also been arranged for the Commonwealth flag to be on display in the Guildhall during Commonwealth week.

Best wishes

Godfrey Hall . Chair.
